Ice Skating Queensland Inc. Policy Document

ISQ Iceworld™ Fair Usage Policy for Members using the Wi-Fi / Internet at Iceworld™ Rinks

Authority   Ice Skating Queensland Inc. Council on 9th March 2016

Application   ISQ MEMBERS

Effective: 9th March 2016   Review Date: July 2022   Policy No: 025/2016

POLICY OBJECTIVE

To provide reasonable and fair usage rules for the ISQ/ Iceworld WIFI systems and its internet connections.

For ISQ to advertise to its members the availability of WIFI Internet Services within both rinks.

POLICY

ISQ Iceworld™ has recently updated its Wi-Fi systems at both rinks and increased its security.

ISQ has made Wi-Fi access available to all ISQ Members via an access username, password and Real name for the (ISQ-Public) sites.

We do not guarantee internet access availability and ISQ will close it off should the instances of unfair usage increase or where "traffic" interferes with the Iceworld™ businesses.

ISQ may change the access passwords from time to time without notice, & will advise the new one.

General

Members are responsible for good behaviour on the Internet just as they are anywhere else.

Access to the Internet is provided for Members to conduct research and communicate with others. Access is a privilege and requires the user to act responsibly.

Please don't download movies or big files.

The usage and browsing activities on our system are capable of audit for our protection and your access to our WiFi system is acknowledgement that you know & agree that this occurs. We will only access these records as part of our general maintenance audit or in the event of an "incident".

If you don't agree please don't log on.

Guidelines

- All Internet activity must be appropriate
- Access should only be made via the authorised account and password, which should not be made available to any other person;
- The ISQ Business (isqprivate) network must not be accessed or attempted to be accessed.
- The following are not permitted:
  - Use of the network to access, disseminate or otherwise deal with inappropriate materials such as pornographic, racist or offensive material.
  - Posting anonymous messages and forwarding chain letters.
  - Activity that threatens the integrity of or damages our IT systems or activity that attacks or   corrupts other systems & anything else that is illegal.
  - Sending or displaying offensive messages or pictures, including using obscene language, harassing, insulting or attacking others.
  - Breaching copyright laws
  - Running your business

Consequences

Breaking the above rules may result in a temporary or permanent ban on Internet use.

Additional disciplinary action may be added in line with existing practice on inappropriate language or behaviour & SIAus, ISA & ISQ Child and Member Protection Policies.

When applicable, police or local authorities may be involved.

Your accessing either WIFI location is your agreement to accept these rules.

To Access: Open your WIFI and select isq-member.

Password: isqmember

Hit enter: You should be on the internet now

It's a free member facility that's being made available without hassles, let's keep it hassle free!

REASONING

ISQ provides WIFI and Internet access to all members within its rinks, this policy is required to properly regulate usage of these systems in order to provide reasonable and fair usage rules for the ISQ/ Iceworld WIFI systems.
